CONTENTS.

	PAGE
Engineering Development in the Petroleum Industry. Christopher Dalley	1
Institute Luncheon	19
New Edition of the I.P. Standard Methods for Testing Petroleum and its Products. J. Cantor, E. P. Driscoll and A. Osborn	21
Compaction and Some Oilfield Features. G. D. Hobson	37
The Analysis of Trinidad Crude Oils. F. Morton and A. R. Richards	55
The Oil-Fields of Western Canada. Campbell M. Hunter, O.B.E.	75
Institute Meeting	84
Oil—An Additional Basic Material for the British Plastics Industry. G. Tugendhat	89
Viscosity Measurement and Viscosity Index. J. C. Cragg and E. A. Evans	99
Institute Meeting	110
Wartime Chemicals from Natural Gas. G. Egloff	124
Peacetime Values from a War Technology. G. Egloff	135
Fractional Distillation on Binary Mixtures. Number of Theoretical Plates and Transfer Units. A. J. V. Underwood	147
Recent Developments in Welding. C. W. Brett	157
Chemistry and the Petroleum Industry. A. E. Dunstan	163
Standard Temperature for Specific Gravity Determination and Volume Correction	190
The Permeability of Porous Solids to Gases and Liquids. L. Grunberg and A. H. Nissan	194
Phase Transformations of Normal Paraffins. C. G. Gray	226
Calibration of C.F.R. Reference Fuels.	235
The Solvent Extraction of Lubricating Oils. H. Ter Meulen	237
Institute Meeting	249
A Modification of the C.F.R. Bouncing Pin Spring-Tension Balance and Instructions for Use. P. Draper	253
Education and the Petroleum Industry. V. C. Illing	259
Institute Meeting	278
Annual Luncheon	284
Trinidad Branch Report	292
A Study of Oil Oxidation as Related to Lubrication. Part I—Apparatus, Technique, and Preliminary Results. Paul G. Exline, W. E. Kramer, and John R. Bowman	295
Petroleum as a Source of Synthetic Materials	308
Estimation of Mercaptan Sulphur Alone or in Presence of Elementary Sulphur in Petroleum Products. E. R. H. Davies and J. W. Armstrong	323
The Filter Freezing Temperature of Aviation Fuels. J. M. A. Court	329
Synthetics for the Petroleum Industry. E. A. Evans	333
Institute Meeting	353
Correlation of I.P. Lovibond and Saybolt Chromometer Measurements on Motor Fuels and Refined Petroleum	357
Definitions for Waxes, etc., Derived from Petroleum	361
Author Index	364
Subject Index	366
